

# LETTERING PRACTICE WORKSHEET

## FOR DUAL BRUSH PENS

Congratulations on taking the first steps to getting started lettering! On the following pages you'll find practice strokes, lowercase letters and uppercase letters, along with a blank practice worksheet. Print these practice worksheets as many times as you like to help you practice while you learn how to letter.

### **Printing Instructions:**

Choose "Fit to page" when printing this pdf. In order to preserve the tips of your brush pens, we recommend either printing on a very smooth printer paper such as HP Premium Choice Laserjet Paper, or using a sheet of tracing paper or marker paper over the top of your printed worksheet to practice. We do not recommend using your brush pens on regular copy paper.
